Government Finance Officers Association of the United States and Canada (GFOA) has given an award for Outstanding Achievement in Popular Annual Financial Reporting to the Police and Fire Department Retirement Plan (Plan) for its Popular Annual Financial Report for the fiscal year ended June 30, 2021. The Award for Outstanding Achievement in Popular Annual Financial Reporting is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government popular reports.

In order to receive an Award for Outstanding Achievement in Popular Annual Financial Reporting, a government unit must publish a Popular Annual Financial Report, whose contents conform to program standards of creativity, presentation, understandability, and reader appeal.

An Award for Outstanding Achievement in Popular Annual Financial Reporting is valid for a period of one year only. The Plan has received this award for the sixth year for the fiscal year ended June 30, 2021. We believe our current report continues to conform to the Popular Annual Financial Reporting requirements, and we are submitting it to GFOA to determine its eligibility for another Award.

The Plan is pleased to present the Popular Annual Financial Report (PAFR) which summarizes the Annual Comprehensive Financial Report (ACFR) for the fiscal year ended June 30, 2022. The financial data presented in the PAFR is derived from the ACFR and is consistent with Accounting Principles Generally Accepted in the United States of America (U.S. GAAP). The PAFR provides a concise summary of the Plan's financial position, investment performance and key accomplishments throughout the fiscal year. The Plan consists of a single employer Defined Benefit Pension Plan and a Postemployment Healthcare Plan.

The Plan's Annual Comprehensive Financial Report for the year ended June 30, 2022, from which the information on pages 4, 5 and 6 has been drawn, was awarded the Certificate of Achievement for Excellence in Financial Reporting by Government Finance Officers Association of the United States and Canada (GFOA). The Certificate of Achievement is the highest form of recognition for excellence in state and local government financial reporting.

In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized Annual Comprehensive Financial Report, whose contents conform to program standards. Such an Annual Comprehensive Financial Report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current Annual Comprehensive Financial Report continues to conform to the Certificate of Achievement Program's requirements, and we are submitting it to GFOA to determine its eligibility for another Certificate.

This report is not intended to replace the ACFR, which provides a more complete overview of the Plan's financial position and operating results. For more in-depth information, we encourage you to read the Annual Report by visiting:

BENEFIT PAYMENTS AND FUNDING PROGRESS

The Average Benefit Payment chart is a broad representation of average benefits paid to retirees and survivors. The Average Benefit Payment includes annual cost-of-living increases. All tiers are combined in the calculation. The chart includes all members who have retired through June 30, 2022.

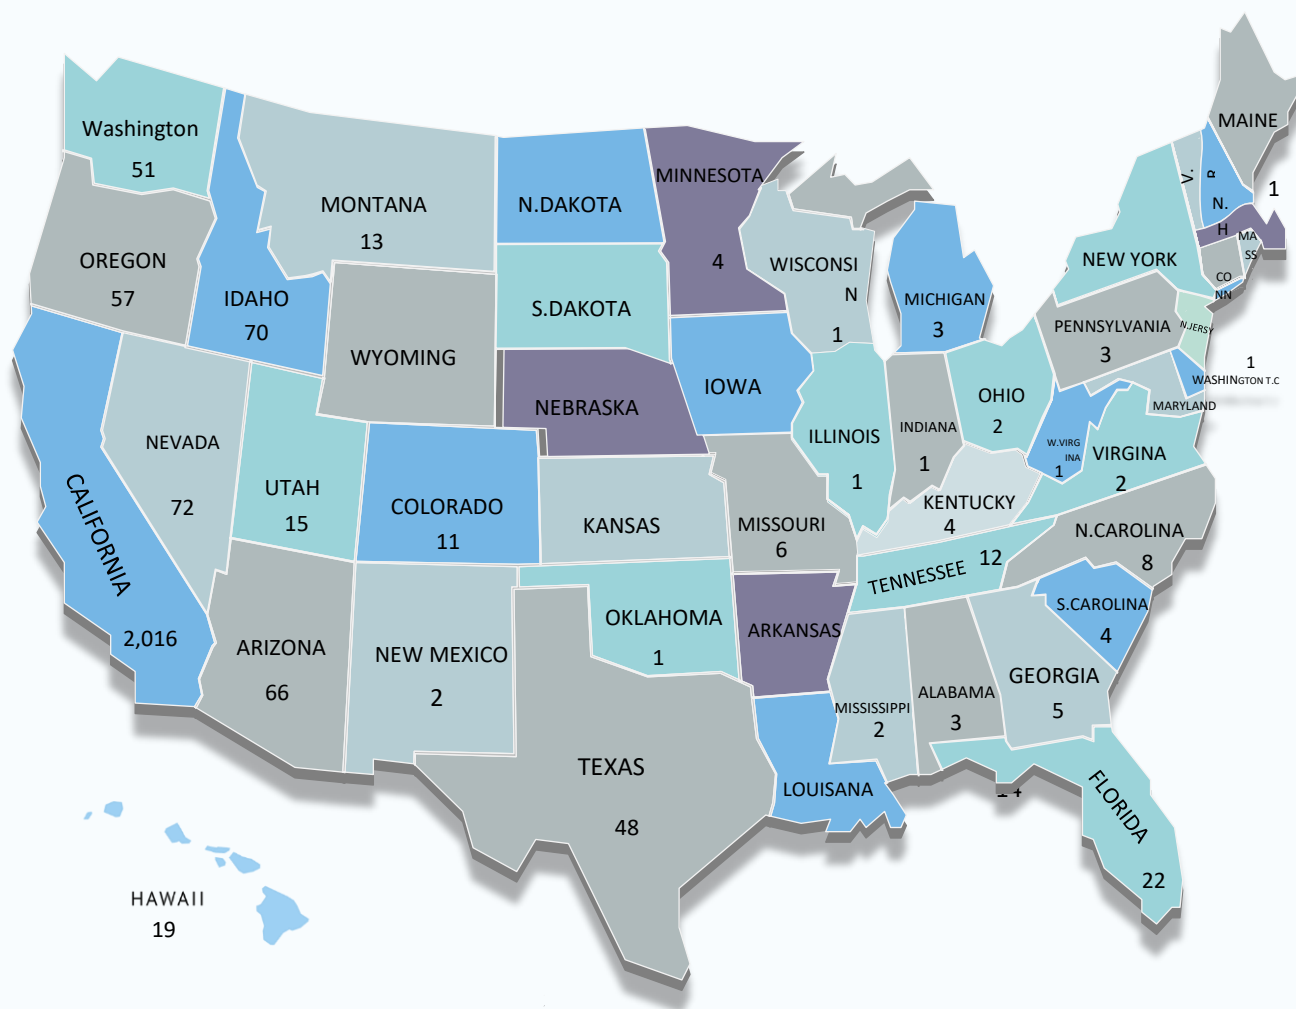

The Funding progress ratio is the actuarial value of assets available to pay retirement benefits divided by the present value of anticipated future retirement benefit payments. The ratio of funding progress is not yet finalized for the actuarial valuation year 2022.
