

Retirement Dates and Insurance Payments

Important Information

As an active employee, your insurance premiums are deducted from your 1st and 2nd paychecks of each month. If you select a retirement date which will not allow the 2nd insurance payment to be deducted from your active payroll check, you will be billed for the 2nd insurance payment. Please note that payment for active insurances will not be deducted from your retirement check.

To avoid the possibility of being billed for active insurances, you should select a retirement date that is on or after the following dates:

January 17, 2015
February 14, 2015
March 14, 2015
April 11, 2015
May 9, 2015
